E-Magazine

Dear team,

As a part of our commitment to improve the learning experience for our community, we are excited to announce the release of the first issue of the GUS Canada E-Magazine!

The E-Magazine is a quarterly publication featuring exclusive stories and perspectives from our community, including staff, students and alumni.

In this issue all of the graphics were created using DALL·E 2 and one of the articles was written by Chat-GPT. Can you guess which one?
